## About Us

Doors & windows enhance the aesthetic of the space, expand visibility as well as provide light and ventilation. With various unique ideas, Anzen Fab Private Limited has come into existence recently in 2021. The company hold expertise in designing & manufacturing a wide variety of Aluminum Partition, Casement Openable Glass Window, Slide UPVC Door, Aluminum Door, Home Glass Window, Laminated UPVC Window and various others. Using top-class aluminum, wood, UPVC, glass and other materials, we manufacture our offered windows, doors and partitions. Available in multiple designs, sizes and shapes, our offered products are installed in homes, offices, hotels, restaurants and other areas.

We have our own production house in Hyderabad, Telangana; here, all the products are produced in accordance with the industrial standards. The production unit is installed with modern equipment & tools using which we manufacture the goods as per the requirements of the customers. We work cordially with our customers to understand their specific needs as well as to establish long-lasting relations. Our client-centric business approaches made us one of the favorite manufacturers and suppliers of the customers in the domestic market. We wish to add more names in our clientele and expand our business in the whole world.
